MIT Startup Exchange December Demo Day

December 8, 2021 11:00 am - 12:15 pm

11:00 AM
Welcome and Introduction
Marcus Dahllöf
Program Director, MIT Startup Exchange

Marcus Dahllöf
Program Director, MIT Startup Exchange

Marcus leads the MIT Startup Exchange, which facilitates connections between MIT-connected startups and corporate members of the MIT Industrial Liaison Program (ILP). Marcus manages networking events, workshops, the STEX25 accelerator, opportunity postings, and helps define the strategic direction of MIT Startup Exchange. He is a two-time tech entrepreneur (one exit in cybersecurity), and has previously held roles in finance, software engineering, corporate strategy, and business development at emerging tech companies and Fortune 100 corporations in the U.S., Latin America, and Europe. Marcus was a member of the Swedish national rowing team and he is a mentor at the MIT Venture Mentoring Service.
